

Dear AP US History Student 2010-2011

SUMMER READING ASSIGNMENT

Since our summer reading will include several of the first chapters of our book: Kennedy & Cohen: The American Pageant, 12th edition.....you will need to purchase it soon. You may buy "used" books from the current AP US Juniors - they no longer need them since they have already taken the AP test, or you may buy new or used copies on line at: **myschoolbookstore.com**

By the beginning of school, please have read chapters: 2, 3, 4, 5, 6. Take notes from the "Study Guide" (which I will give you) for each of these chapters. You will have a quiz on all the chapters; **YOU MAY USE YOUR NOTES FOR THE QUIZZES - IF THEY ARE HAND WRITTEN.** (There are numerous web sites for our text - these may be helpful to you, but you may not use them for the quizzes.)

You will also be reading: Michael Shaara, The Killer Angels, which can be purchased at any bookstore or bought from one of this years' AP students.

Have a great summer, **enjoy** your reading. I will be thinking of you as I am reading history books too!

Any questions ?????
