

Junior and Senior Student Parking Information

Mercy High School has a limited amount of student parking. Seniors will have priority in applying for parking until Friday, August 21st.

In order for applications to be accepted students must turn in the completed form signed by themselves and a parent, a check made out for \$100 to Mercy High School, and a copy of her drivers license.

Please note that students may only apply for permits if they have a current driver's license. Any applications turned in without a copy of a drivers license will not be accepted. No exceptions will be made to this rule.

If there are still available spots, juniors may apply for parking between Wednesday, August 26th and Friday, August 28th. On Wednesday, September 2nd, a random drawing will be done to determine which juniors, if any, will receive parking. Please note that extreme family circumstances and carpooling will be taken into account.

If the drawing does not have the outcome your family was hoping for, your daughter also has the option to park at the Millbrae BART each day and take the shuttle or the CYO bus. The shuttle is sponsored by the City of Millbrae and takes the girls before and after school to the front of the chapel. The schedule can be found at [Burlingame-North BART/Caltrain](#).

If a student is unable to receive a parking permit and does not choose to use the Bart parking option please be aware that she may not drive to school and will need to find a carpool or have a parent or guardian drop her off to school each morning. See below.

Please note that Mercy High School has a Conditional Use Permit with the City of Burlingame that states that Mercy High School students may not be picked up or dropped off outside the school gates. This permit also prohibits Mercy students from parking on surrounding streets. Please be sure to adhere to the terms of this permit. Any student found going against the permit will face immediate disciplinary consequences.

Should you have any additional questions regarding the parking permit application process or on parking options please contact the Assistant Head of School for Student Life, Summer Dittmer, at sdittmer@mercyhsb.com.
