

Mercy High School Burlingame Launches New Website and Mobile App!

New year, new website! Introducing the newly redesigned www.mercyhsb.com. We have redesigned the web experience with you in mind. Sleeker, faster, more intuitive: we've streamlined our navigation and created a responsive interface to provide optimum viewing regardless of your device (desktop, tablet or mobile phone). With customizable calendars, news and updates at your finger tips we hope to have provided a more efficient and effective online tool to help support you and your family's needs.

Along with our newly redesigned www.mercyhsb.com, we are pleased to announce the release of the mobile app for Mercy High School Burlingame. The app features quick and convenient access to the school calendar, news, announcements, media gallery and direct access to our school contacts. The app will allow parents and students to quickly connect with Mercy.
