

Spring 2016 ACT Courses at Mercy High School

Improving your performance on the ACT comes down to one thing: becoming a better test taker. Our experts have spent countless hours thoroughly researching the test so that we can teach you how to crack it. We'll show you our exclusive strategies and give you the study tools you need to practice on your own and master what we cover in class.

Get to Know the Test: Our student workbooks give an overview of each type of question on the test.

Get Practice: We help alleviate test-day anxiety and introduce techniques that make a difference in student scores. Both classes include extensive additional online tools to practice any time of day or night.
