Fletcher and his friends fight for survival in the ether, where they pursue a mortally dangerous quest to rebuild their world and broker peace.

You Don't Know My Name

Fighter, faker, student, spy: heart-pounding action and spine-tingling suspense intertwine in an electrifying debut for fans of emotional thrillers with just the right dash of high school drama. Seventeen-year-old Reagan Elizabeth Hillis is used to changing identities overnight, lying to every friend she's ever had, and pushing away anyone who gets too close.

The Traitor's Kiss

With a sharp tongue and an unruly temper, Sage Fowler is not what they'd call a proper lady—which is perfectly fine with her. Deemed unfit for a suitable marriage, Sage is apprenticed to a matchmaker and tasked with wrangling other young ladies to be married off for political alliances. She spies on the girls—and on the soldiers escorting them.
