

Fabulous WORKS of Art

a Mercy High School Art Contest

Dear Teachers:

We would like to invite your students to participate in Mercy's "Fabulous Works of Art," an art competition for 6th, 7th, and 8th-grade female students, held at Mercy High School in Burlingame.

Our Visual Arts department is committed to encouraging girls to build confidence in 2D and 3D Art creation while emphasizing the research and investigation of the different elements of Art.

Entries can include but are not limited to: Painting, Etching, Drawing, Collage, Sculpture, Ceramics, Fabric, and Mixed Media. This is an opportunity for your student's work to be displayed in a gallery-like setting, exposing them to the works of other girls from around our community.

You may send up to five projects from each grade level. The works must be mounted and labeled **(Student Name, Grade Level, Project Title, and School Name)** and ready for display. All project judging will be conducted by our students who are members of the National Arts Honor Society- Mercy High School Chapter, using the guidelines set forth by the California Standards for the Visual Arts. **Please email me by December 1, 2023, if your school is planning to participate and include the students' names and their projects.**
