

Mercy High School Burlingame
Athletics Physical Night

Wed., June 17 • 6-8pm

*Physical Exams by Mercy Team Doctor
Dr. Purchase and his staff*

Mercy High School's Booster Club will be sponsoring the Athletics Physical Night. For \$20 students can come to Mercy and get their physical on campus by our team doctor, Dr. Purchase, and his staff. All are welcomed and encouraged to come. Please remember all students must have an updated physical each year in order to be eligible for athletics. Light snacks and refreshments will be provided.

All new and returning athletes are required to get a physical before July 1, 2015 to be approved to participate in athletics at Mercy. Athletes can get their physical from their own doctor or via this evening which is offered for the convenience of our Mercy families as sometimes it is difficult to schedule a physical before July 1.
